Pumped-Up SpookPrince

It was certainly a surprise the first time I ran into Mister Pump at Kroger on Wilmington Island Georgia. I was torn between punching his pump zone AKA his head, which was a ready-to-carve fresh pump, and shaking his hand. I didn't know if I should be nice or carve his head.

His pumphead was seriously perfect for a halloween pump toy. The year was 2009, and I had been itching to dig into a pump so that I could place it on our families front door step on Wilmington Island Georgia. Something inside me chose the "less violent" route and I shook Mr. Pump's hand. My anme's Doug, I said. Mr. Pump just smiled. He had no carved features but I could tell he smiled even though I could not see it. Do you understand. Flash forward 16 years and I'm glad I was nice.

Mr Pump

When I realized this year that the pump head freak I met all those years ago was THE Mr. Pump. I got goosebumps. Not only was I super glad that I didnt carve the pump headed stranger right then and there on the Kroger "sale's floor," but I was super excited at the prospect of reaching out to Mr. Pump, reminding him of our awesome encounter and then asking AKA Begging him to post about our Livestream show "Skeleton Realm LIVE!" on all his social media, so that millions of fans would watch our show. I realized I could use his fame to MY benefit and that got me REALLY excited. I was glas I was randomly nice and that the proverbial coin flip inside my head that made me decide to NOT carve him hardcore was on the side of shaking his hand and being nice so I could use him now for his fame since he is a HUGE celebrity now. Do you understand?

So, I called up Mr. Pump and reminded him of our awesome encounter. He did not remember but he did remember so much amazing crap about his life and his incredible story which I will summurize now. In before time now he was uncarved with a blank pump head. He wandered the earth for 14,000 years waiting for western culture to invent halloween. Once halloween was created he waited to get carved hardcore. In 2010 he went viral on youtube for doing viral dance moves through history. He finally was carved in 2011 and achieved his final form as a fully realized Mr. Pump. Thats when his mega-stardom really took off. I was dumbfounded. I asked Mr. Pump. "You mean, you WANTED to get carved all this time? I could have carved and shared the fame with you. But I decided to shake hand." Mr. Pump laughed and hung up the phone. I never got a chance to ask him to post about Skeleton Realm LIVE! on his social media accounts. I guess the lesson is this: if you see a blank pump-man just ask if he needs to be carved and if he does, just do it. Mr. Pump is such a cool celeb and I hope he posts about our show on his social media.

THE MEMOIRS OF DR. MASON DOORPUMP: A GLIMPSE BEHIND THE PAGES

Is Dr. Mason Doorpump a troubled genius, an everyday man, or something in between? While the full truth may remain elusive, there's no denying that Doorpump is one of America's most iconic authors. Best known for his Old John Tom Hickorywood series, which spans 13 novels, Doorpump's prolific output extends beyond these widely celebrated works, touching upon a variety of lesser-known stories that are just as compelling.

A recent discovery has now added to his legacy: a set of memoirs that provide a rare window into his private life and creative mind. While they don't answer every question Doorpump devotees may have—such as the circumstances surrounding his mysterious death—they do shed light on many aspects of his writing process and everyday experiences, offering a deeper understanding of the man behind the novels.

"A must-read for all Doorpump freaks," says The Journal of American Literature. And according to Jeff Plump, a leading scholar on Doorpump, "This astounding discovery answers many questions while bringing new mysteries into the public zeitgeist."

HALLOWEEN HORRORS UNVEILED: SLIPNOT'S FRONTMAN SPEAKS

IN A DARK AND MYSTERIOUS INTERVIEW, THE MASKED FRONTMAN OF SLIPNOT, THE SLIPKNOT COVER BAND READY TO DOMINATE HALLOWEEN NIGHT, LET LOOSE ON HIS TRUE HOLIDAY PREFERENCE. SPORTING A WHITE BEARD UNDER HIS MASK, HE SCOFFED, "CHRISTMAS? THAT'S CHILD'S PLAY. ALL THAT HAPPINESS AND GOODWILL? IT'S NOTHING COMPARED TO HALLOWEEN. GIVE ME SKELETONS, GHOULS, AND THE KIND OF SPOOK THAT REALLY JINGLES YOUR BELLS—NOW THAT'S A REAL HOLIDAY.

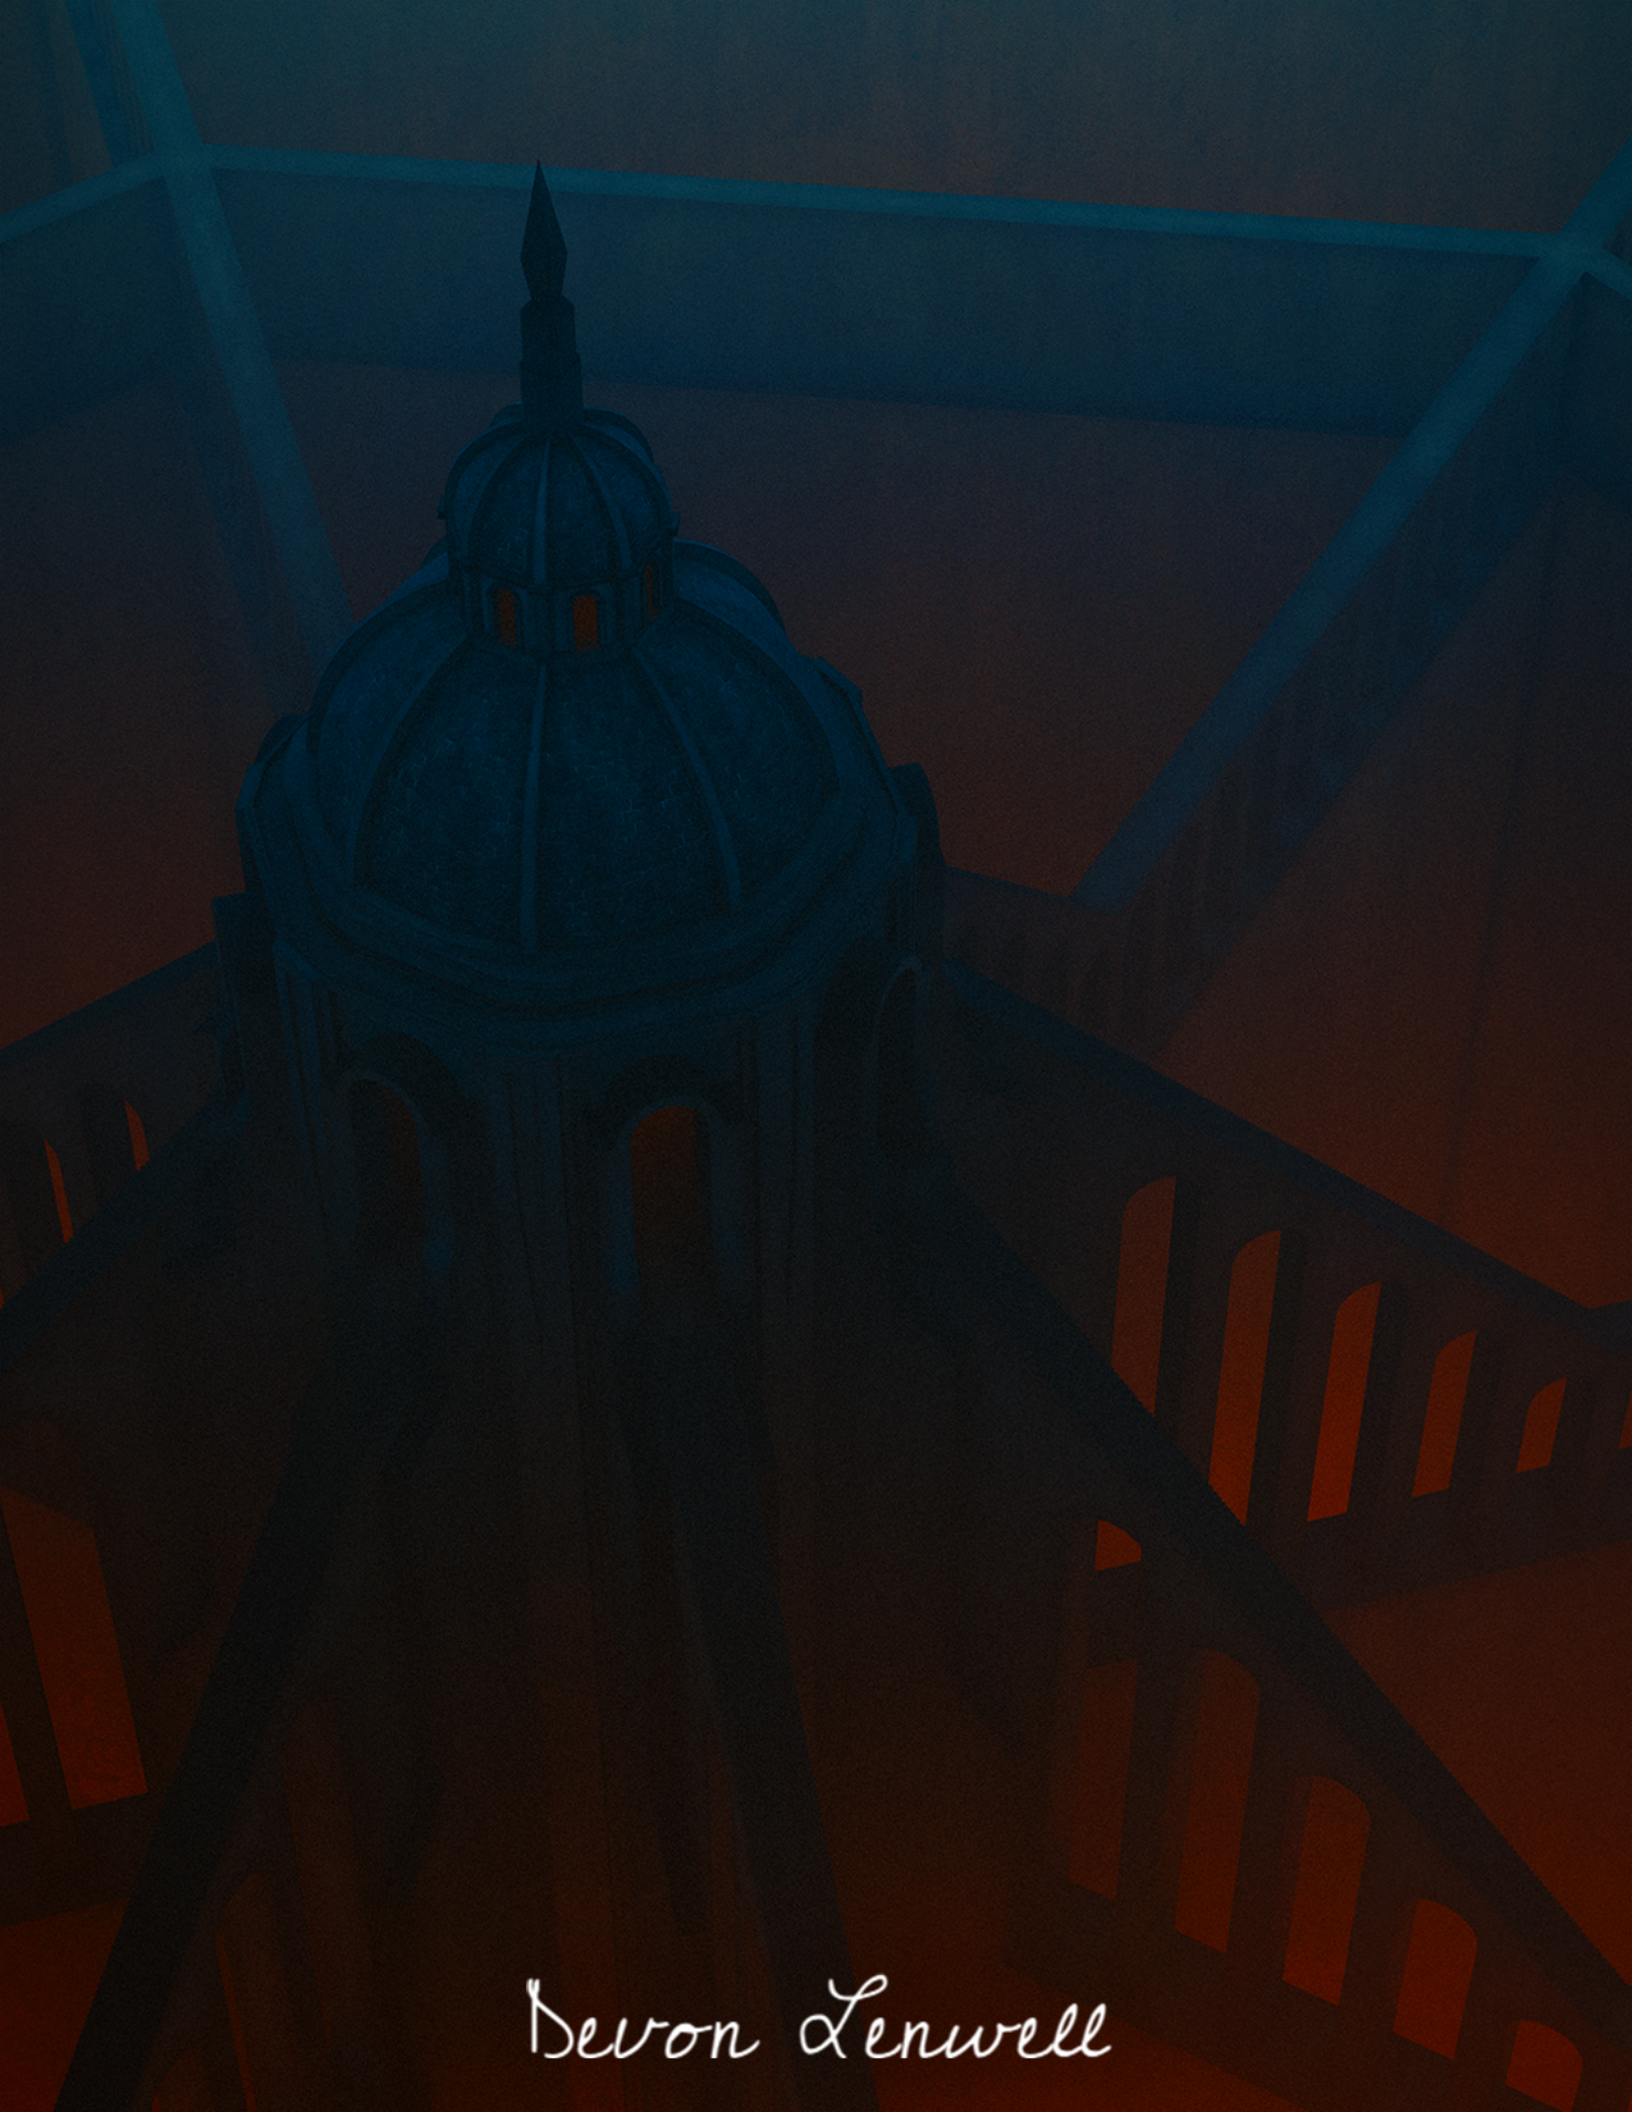

HE LEANED IN, ADDING, "IF I WERE SANTA—WHICH, THANK THE ELVES, I'M NOT—I'D BE PRETTY SAD ABOUT CHRISTMAS BEING SO LAME. BUT LUCKILY, I'M ALL ABOUT THE DARKNESS STYLE. HALLOWEEN'S WHERE IT'S AT!"

WITH SLIPNOT SET TO PERFORM ON HALLOWEEN, THE FRONTMAN PROMISED A BONE-CHILLING SHOW LIKE NO OTHER. "WE'RE TALKING FOG, GHOSTS, BATS—THE WORKS. IF YOU WANT TO EXPERIENCE PURE SPINE-TINGLING FEAR, YOU'VE GOT TO BE THERE. IT'S GOING TO MAKE YOUR BUTT SCREAM, SERIOUSLY!"

LAUGHING, HE TEASED THE NIGHT'S THRILLS, "TRUST ME, IF YOU THINK CHRISTMAS HAS ANY EDGE, YOU'RE DEAD WRONG. THIS SHOW WILL BLOW YOUR MIND. GET YOUR TICKETS—OR BE HAUNTED BY REGRET."

VAMPIRES STOP COMING TO OUR HOTEL

We have had enough of this. Every year around halloween, they are all coming to our hotel. It is like a giant house, and we are letting them inside. You know how you have to let them inside? Well. We have been letting them inside because well. Um. WE can not tell who is a vampire and who is not. And we let them inside and they dash around and drink all our guests' dirty blood. We try to stop them with fire extinguishers but it does not work. Fire extinguishers are for fires, not for vampires sucking dirty blood hardcore. And hotels are for guests, not for dirty vampires trying to suck our guests' blood hardcore.

“We are done apologizing. If you or a loved one has been attacked by a vampire hardcore, guess what, guess what, we are NOT sorry. It was never OUR fault. It was all those dirty vampires! You know what, maybe next time something like this happens, you should call the police force or ambulance to match. They can deal with this. Not us. Why would you think we have the tools and power to deal with dirty vampire attacks? We don't understand.”
